O R D E R

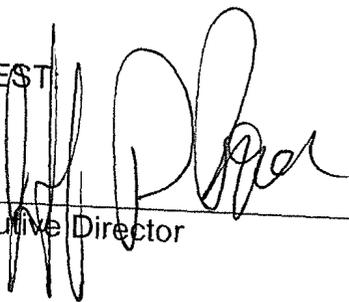

On April 9, 2010, Leon G. Meeks filed a formal complaint with the Commission, in which he alleges that Kentucky-American Water Company ("Kentucky-American") is responsible for unreasonably high water bills due to malfunctioning equipment. Kentucky-American answered the complaint on June 21, 2010. On January 5, 2011, the Commission ordered Mr. Meeks to file a written response to Kentucky-American's Answer and state whether the complaint has been satisfied or otherwise resolved. Our Order also stated, "Failure by the complainant to file a written response within 20 days from the date of this order shall be grounds for the Commission to dismiss the complaint." As of this date, the Commission has not received a response. We, therefore, find that this case should be dismissed.

The Commission, on its own motion, HEREBY ORDERS that Mr. Meeks's complaint is dismissed.
